

Message from Pastor Russ

We believe in prayer. We also believe in taking action steps. Allow me to share a mixture of prayer requests and action steps that are on my heart . . .

PRAYER: LORD, HELP US TO HAVE SUNDAY SERVICES THAT ATTRACT FAMILY INVOLVEMENT. HELP US REACH NEW FAMILIES. Possible action steps: Start a "Children's Church" (Young children sit with their parents for the first part of worship and then leave for a special kids time); Involving kids in worship, i.e. acolytes, readers, special music, greeters, etc.; Having special Sundays, i.e. Youth led services, "Blessing of the Backpacks", Service project days, etc.; Explore whether or not a later start for Worship would be helpful for families.

PRAYER: LORD, HELP US REACH OUR IMMIGRANT NEIGHBORS WITH THE LOVE OF CHRIST. Action steps: Continue to be involved in the Community and Cultural Connections group and specifically their English as Second Language offerings. I am finding some interest in starting a bilingual Bible study group. I have very excited about this.

PRAYER: LORD, HELP US REACH THOSE WHO LIVE CLOSE TO OUR CHURCH BUILDING. I especially think of the families in the nearby apartment buildings. At this point, we don't have "a plan". The first thing to just get to know people.

PRAYER: LORD, HELP US USE THE NATIVITY SCENE TO SHARE YOUR LOVE WITH THOSE WHO MIGHT NOT ATTEND A REGULAR CHURCH SERVICE. The Nativity Scene has been touching hearts for 80 years! We are especially appreciative of the faithful and tireless work of Marv Chickering. Since I've moved to Algona, I've wondered if we could use this fantastic resource to touch lives in An even deeper way. In these unsettling days, people are looking for peace. We are going to hold simple "Peace Services" at the Nativity Scene on Sunday evenings in Advent and on Christmas Eve (8 p.m. on each of these nights). There will be traditional hymns, quiet prayer and Scripture. The Nativity Scene itself reminds us of the power of Christ to bring peace in the midst of great conflict.

PRAYER: LORD, HELP US TO FIND A SIGNATURE MISSION PARTNERSHIP THAT LEADS TO ECONOMIC EMPOWERMENT FOR PARTICIPANTS. There is great power in congregations having a relationship with a specific missionary. There are exciting missions out there that are empowering people to be economically self-sufficient. I'd love to have Algona UMC find a partnership that is a great fit for our congregation and community.

Please join me in these prayers. What are your prayers for the ministry of our congregation? What steps would you like to take part in to make these prayers a reality?

Jesus came to show God's love! Let's recommit ourselves to joining Him in mission.

Message from the Finance and Stewardship Committee
“Honoring the Past and Securing the Future”

The finance committee wants to take this opportunity to say thank you to our congregation for your support of our 2026 stewardship campaign. “Harvest Sunday” was successful. We took time to thank God for the resources we received in 2025. Then prayed for his support and guidance in 2026 as we continue to do his work by giving our time, talents, and resources.

However, the 2025 stewardship campaign is not over. We have one more month. This church has been very fortunate to have a congregation that comes through and meets the financial needs of the church. December is always our best giving month. Last year, we exceeded expectations and had the second-best giving total in December in the last ten years! This allowed us the meet our budget needs for 2024 and end with a balanced budget! It is our hope that we can finish strong again in 2025 by meeting our budget needs through our congregation’s generous financial support.

In 1899, this church was dedicated. It still stands today. There are not a lot of buildings that still stand over 125 years. Old buildings are either torn down to build new or left standing until they deteriorate from neglect. Neither one describes this church. Over the years, those before us have made the effort and commitment to update and remodel this church. Past members looked at the impact this church had on its membership, the community, and the world in carrying out the mission of God. They faithfully invested their time, talents, and resources to support this church.

That is why the Stewardship and Finance committee chose to look back and honor those before us and focus on securing the future for those ahead of us. The hope is that our congregation today has the same faith and drive to continue the work and mission of this church in the future.
